PROFESSIONAL EXPERIENCE

HR MANAGEMENT INTERN | **Sheraton Grand London Park Lane Hotel** | London, UK

January 2025 – April 2025

- Optimized and maintained records for 200+ employees, ensuring 100% compliance with right-to-work documentation, contracts, and passports.
- Strengthened cultural and emotional intelligence by facilitating conflict resolution and fostering meaningful connections with team members.
- Enhanced employee engagement by developing and implementing “Take Care” initiatives to support hotel staff well-being and shadowed interviews and onboarding to gain insight into retention strategies.
- Assessed compensation and benefits for each department to verify accurate salary payments and merit increases for employees based on performance evaluations.

KEYHOLDER | **Brandy Melville** | Columbus, OH / Charleston, SC

October 2022 – January 2026

- Led and coordinated teams of up to 15 members, strengthening workflow productivity and improving team engagement.
- Managed daily store operations, including cash management and bank deposits exceeding \$500 weekly while ensuring accuracy and security protocols.
- Trained new employees on POS systems, cashiering procedures, and visual merchandising standards to enhance operational efficiency and brand consistency.
- Strategically designed over 100 visual merchandising displays, overall strengthening brand image.

BRAND AMBASSADOR | **Carhartt** | Columbus, OH

May 2025 – August 2025

- Played a key role in launching a new store location by assisting with floor layout design, setting up visual merchandising displays, and ensuring all inventory and brand standards were met before opening.
- Delivered personalized customer experiences to drive sales and build brand loyalty through tailored product recommendations.

ANALYTICAL PROJECT EXPERIENCE

People Analytics Merger & Acquisition Capstone (May 2026): Analyzed talent review data and organizational charts for two merging companies, as part of a 6-person team, to design a consolidated C-suite and leadership structure, identifying \$430K in projected annual salary savings; evaluated performance and succession data to recommend talent placement and retention strategies balancing cost efficiency with critical-talent risk.

FIFA Player Market Value Analysis (In Progress): Conducting regression analysis, confidence intervals, and Python-based visualizations on a FIFA player dataset to model the factors driving player market value in euros.
