HUMAN RESOURCES & BUSINESS ANALYTICS PROFESSIONAL

HR professional pursuing a Master of Science in Business Analytics at Wake Forest University, building on a Bachelor's degree in Human Resource Management from Baylor University. Combines hands-on HR experience — including HR business partnering, employee relations, and total rewards — with data analysis skills in Python, R, and Tableau. Brings international work experience, proven leadership, and a track record of managing projects from concept through completion in fast-paced, team-based environments.

EDUCATION

Wake Forest University, Winston-Salem, NC | *Master of Science in Business Analytics* *Expected May 2027*

PROFESSIONAL EXPERIENCE

HR MANAGEMENT INTERN | **Sheraton Grand London Park Lane Hotel** | London, UK *January 2025 – April 2025*

- Partnered cross-functionally across a diverse, international team of 200+ employees, supporting HR business partnering and employee relations matters.
- Analyzed employee compensation and benefits data to verify accurate salary payments and merit increases, translating findings into clear recommendations for leadership.
- Supported recruitment and onboarding by shadowing interviews and new-hire processes, and ensured 100% compliance with right-to-work documentation for 200+ employees.
- Managed “Take Care,” an employee engagement initiative, from concept through rollout, prioritizing and coordinating multiple concurrent project workstreams.

KEY HOLDER | **Brandy Melville** | Columbus, OH / Charleston, SC *October 2022 – January 2026*

- Led and coordinated teams of up to 15 employees, managing multiple concurrent priorities and deadlines in a fast-paced, ever-changing environment.
- Designed and executed 100+ visual merchandising displays informed by sales and customer engagement trends, strengthening brand performance and in-store results.
- Managed daily store operations, including cash handling and bank deposits exceeding \$500 weekly, maintaining exceptional accuracy and attention to detail.
- Trained new employees on POS systems and store reporting procedures, simplifying complex processes into clear, repeatable steps.

BRAND AMBASSADOR | **Carhartt** | Columbus, OH *May 2025 – August 2025*

- Delivered personalized customer experiences and tailored product recommendations to drive sales, applying insight into customer behavior to strengthen brand engagement.
- Supported the launch of a new store location, contributing to floor layout design and inventory readiness, adapting quickly in a fast-paced, evolving environment.

ANALYTICAL PROJECT EXPERIENCE

People Analytics Merger & Acquisition Capstone (May 2026): Analyzed talent review data and organizational charts for two merging companies, as part of a 6-person team, to design a consolidated C-suite and leadership structure, identifying \$430K in projected annual salary savings; evaluated performance and succession data to recommend talent placement and retention strategies balancing cost efficiency with critical-talent risk.

FIFA Player Market Value Analysis (In Progress): Conducting regression analysis, confidence intervals, and Python-based visualizations on a FIFA player dataset to model the factors driving player market value in euros.

LEADERSHIP & INVOLVEMENT

Student Engagement Council, Wake Forest MSBA Cohort — Member

Plan and execute cohort marketing initiatives and events, managing budget tracking and financial planning across multiple concurrent projects.

Women in Business — Mentor

Mentored underclassmen on resume building, interview preparation, and leadership and networking opportunities.

Bears' Association of Human Resources (Student SHRM Chapter) — Member

Engaged in the student SHRM chapter to build professional networks and prepare for a career in HR.

ACHIEVEMENTS

MVP Award, Marketing Simulation Team Project | Selected Participant, HSB Ethics Case Competition
